Minute of the Chief Minister

Reference --Letter No C2 P R 127/55-56 dated the 15th July 1955 from the President, City Municipal Council, Mysore regarding allowance etc , to Sri B Thimmiah, Amildar doing duty as Revenue Officer, City Municipal Council, Mysore

---

15) I have gone through the papers connected with Sri B Thimmiah's case

(2) The City Municipal Council, Mysore, is second only to Bangalore City Corporation in status and importance The Mysore City Municipalities Act confers a great deal of autonomy on it We may generally accept the opinion of the President and the resolutions of the Municipal Council, unless, prima facie, the proposals and the resolutions are ultra vires or unsustainable In the present case, the Municipal Council has been making frequent representations for the grant of allowances to Sri B Thimmiah Revenue Officer I agree with the Financial Secretary that no bonus need be granted to this officer and others for the revision of assessment work because payment of bonus to officers governed by M S R is untenable and would be against rules Again, I agree with the views of the Finance Department that a duty allowance of Rs 100/- is not admissible to Sri Thimmiah for being in charge of the additional duties of the Octroi Superintendent Orders have already been passed allowing in-charge allowances which are allowable under the M S R , as I understand from the files

(3) Thirdly, there is a recommendation from the Municipal Council to enhance the consolidated allowance of Rs 75/-p m now being drawn by the officer and that the proposal has been turned down But there are

2336/142

Grant of allowances to Sri B. Thimmiah, Rev. Officer & Ex-Officio Asst. Engr.

instances like in the Bangalore City Corporation where officers i e. the Engineer and the Commissioner, have been shown similar concessions as the one now asked for by the Mysore City Municipal Council in favour of Sri B Thimmiah I learn from the President, Mysore City Municipal Council, that the officer has been doing good work, is honest and efficient, and is doing his best to improve the administration of the Municipality and to improve the resources of the Municipal Council His consolidated allowance of Rs.75/- per mensem may be enhanced to Rs.100/- per mensem with effect from the date ~~when the allowance was fixed at~~ of the Resolution of the Mysore City Municipal Council Rs.75/- per mensem.

Dear Sir,

Subject: Regarding allowances &c to Sri B Thimmiah, Amildar, doing the duty of Revenue Officer, C.M C , Mysore

=====

I had brought to your kind notice during one of your visits to Mysore that certain proposals which had been sent to Government for payment of allowances to Sri B Thimmiah were being turned down though he richly deserves the same, and you were pleased to say that if the matter was again referred to Government, you would look into the matter

One of the proposals was for the grant of overtime allowances to Sri B Thimmiah and others for the work they did in connection with the delimitation and revision of assessment during 1952-53 During the previous years, similar amounts were being paid to the officers in the shape of bonus To sta with, therefore, a recommendation was sent for according sanct for the payment of similar bonuses, but this was turned down Further, proposals were sent for giving them overtime allowanc Even those ~~who~~ have been finally negatived in letter No L 2970 24-55-95 dated 17-6-55 from the Education Secretary

Similarly, another proposal was made for the grant o conveyance allowance of Rs 50/- and duty allowance of Rs 50/- to him At present he is getting a consolidated allowance of Rs 75/- which is made up of a duty allowance of Rs 50 and conveyance allowance of Rs 25 Recommendation in this behalf has been made to Government in our letter No C2 PR 53C 134 dated 9-5-55 So far no orders have been received in this behalf

Further from 9-6-1954 Sri B Thimmiah is also in charg of the duties of the Octroi Superintendent, as, after the retirement of the previous incumbent, no other hand has been posted During this period, he has worked to the satisfaction

of the municipality as a result of which he has been able to give us a better income under this head than in previous years For this reason, the council approved of the proposal for the payment of D A of Rs 100/- to him for the period he is in charge of the duties of the Octroi Superintendent A reference has been made to government in this behalf in C2 PR 220-C 747/54-55 dated 6-6-55 No orders have been received in this behalf either As a matter of fact, prior to this, the Secretary to Government, Education & L S G Departments, in his letter No L 2008/CM 26-54-211 dated 26-5-55 has intimated that a duty allowance is not admissible and that such allowances cannot be sanctioned with reference to individual cases

For these reasons I request you kindly to call for the records and pass early orders sanctioning the proposals unanimously passed by the council in view of the justice of the case

With regards,

Yours sincerely,

(K Puttaswamy)
